Elevate Your Brand. Make An Impact.

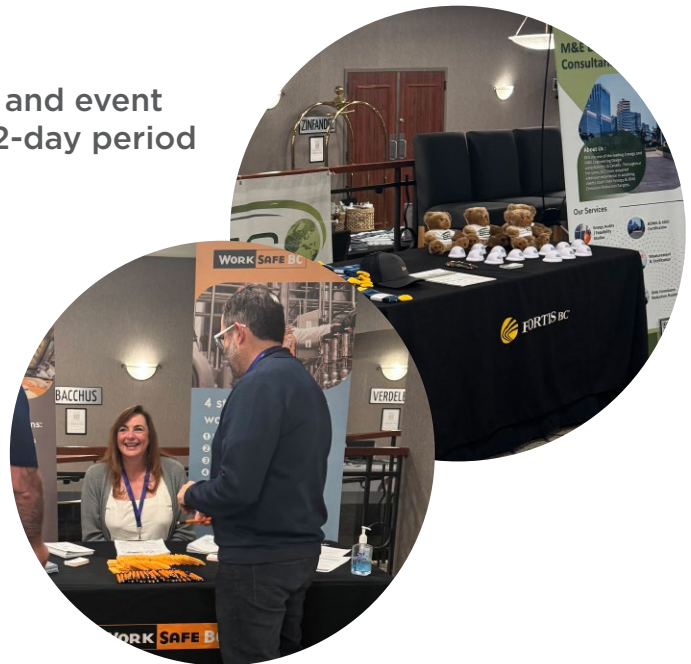

Coming Together to Build BC – The Future is Modular

The 2026 Modular Housing Summit is BC's leading event for advancing industrialized housing solutions. With 250+ delegates expected from across the province, the conference brings together manufacturers, builders, developers, policymakers, and industry innovators focused on delivering more homes and more jobs. Sponsorship offers a powerful opportunity to elevate your brand, connect with decision-makers, and help shape the future of modular housing in British Columbia and beyond.
